APPLICANTS

Michael Barnes
David Palagashvili

TITLE

Plasma reactor electrode

PTO-2040
12/89

BACKGROUND INFORMATION

1. Field of the Invention	2. Description of the Prior Art	3. Summary of the Invention
4. Brief Description of the Drawings	5. Detailed Description of the Invention	6. Claims
7. Abstract	8. References Cited	9. Other Information
10. Field of the Invention	11. Description of the Prior Art	12. Summary of the Invention
13. Brief Description of the Drawings	14. Detailed Description of the Invention	15. Claims
16. Abstract	17. References Cited	18. Other Information
19. Field of the Invention	20. Description of the Prior Art	21. Summary of the Invention
22. Brief Description of the Drawings	23. Detailed Description of the Invention	24. Claims
25. Abstract	26. References Cited	27. Other Information
